May Not Neutralise Capital.

Intimations have come to the American government that Carranra will not consent to the neutralisation of Mexico City as proposed and agreed to by the Villa-Zapata forces. No definite answer as jet has been received to the American note sent to the two factions, but preliminary reports to the state department indicate that Carrairas is unwilling to accept the proposal. It is believed here that arrangements may be made for uninterrupted passage of trains to and from Mexico City and Vernerus, though a decision on this question has not been reached by Carraira.
